

Arch Aluminum & Glass

— YOUR TRUE SINGLE SOURCE® —

Arch Aluminum & Glass is one of North America's largest architectural glass and aluminum fabricators and distributors of architectural aluminum, extrusions, insulated, tempered, mirrors, laminated, and decorative glass. Arch Aluminum & Glass is now looking to expand its presence in the North American glass and glazing industry by strategic acquisition.

With the support of Sun Capital Partners, Inc., a leading private investment firm, Arch Aluminum & Glass is actively looking to advance our current product lines, diversify into new products, and develop our geographical footprint. In addition, Arch Aluminum & Glass is also on the cutting edge of future trends as it relates to solar, photovoltaic, dynamic, and thermo-reflective.

We're looking for targeted acquisitions to grow our platform.

Potential acquisition candidates are encouraged to contact Sun Capital Partners, Inc.
