EDITORIAL OPPORTUNITIES

Deadlines

Editorial deadlines for the magazine are 8 weeks before the publication date, so submit materials early.

News

News announcements allow industry companies to connect with customers, introduce new products, share company news, highlight recent projects and recognize the achievements of employees. Please submit:

- Press releases that cover at least three of the “Five Ws” — who, what, where, when, and why does it matter.
- If applicable, submit a color image that is at least 3.5” by 5” when sized at 300 dpi.

Product Submissions

Companies should submit a press release announcing a single, new product introduction that contains the following:

- Information that focuses on the specific attributes and details of the product, rather than marketing language.
- A website and phone number where readers can obtain further information.
- High-resolution image that is at least 4” by 5” when sized at 300 dpi.
- Contributors may email submissions to Norah Dick at ndick@glass.org.

Top Lists and Award Programs

Glass Magazine recognizes leading North American industry companies in its top list programs: the Top Glass Fabricators, Top 50 Glaziers and Top Metal Companies. For more information on how to submit to the various programs, contact Norah Dick, ndick@glass.org.

Bylined Articles

Glass Magazine wants to hear from you! If you are interested in authoring an original article or blog for publication in Glass Magazine, Glass Magazine Weekly, or GlassMagazine.com, contact Katy Devlin, kdevlin@glass.org. Please note:

- We ask all contributors for exclusivity for specific articles.
- All content should be insightful and educational in nature and avoid advocating for a specific brand, technology, or methodology.
- We do not publish consumer-oriented articles.

NATIVE ADVERTISING

We now offer two sponsored editorial pages in print:

- Product Spotlight — tell customers how your product offers solutions to their top challenges
- Great Glazing Project — highlight envelope-pushing glass and glazing installations
